

June 19th 2017

Dear Parents/Carers,

Our Sports Days have been scheduled as follows:-

KS2 Monday 3rd July to begin at 9:30am

EYFS Wednesday 5th July to begin at 9:30am

KS1 Thursday 6th July to begin at 9:30am

**Do to unforeseen circumstances
please note the change of date for the
KS2 Sports Day with my sincere
apologies.**

In order to make for a more satisfactory day, the following arrangements have been made for our annual Sports Day event.

The sports events will commence at 9:30am. This will give a chance for the sports field to dry out if rain has occurred overnight, and give our staff time to set up equipment for events. The sessions for reception and KS1 are approximately 45 minutes long and KS2 1 hour 30 minutes.

The lunch session for all pupils should not be affected during any of our Sports day events.

If fortune grants us a hot and sunny day, we would advise the children to bring in a bottle of water and to use suitable hats and sun cream on this occasion. If any of the Sports Days need to be postponed due to inclement weather, Wednesday 12th July has been identified as a reserve date for EYFS, Thursday 13th July for KS1 and Friday 21st July for KS2 with start times and duration the same as above.

As always, I cordially invite all parents to attend our Sports Day.

Yours faithfully,

Mrs D Brown

Headteacher
