Additional Comments

You said the meeting was initially mentioned at parents evening so lots of time to make childcare arrangements.

You said there was good level of content without overloading. More information on the types of questions.

You said that you found the session informative

You said we would like to know when subjects are being covered so that we can bring it up at home.

We will put the maths objectives on our class page that we covered in the Autumn Term. **We will** also look at sending home maths homework after we have covered an objective. This **will not** be weekly.

You said thank you for the information.
