

Helping with homework!

A Parent's Guide to Buckton Vale Primary School Homework Policy.

Why homework matters

- It consolidates learning done in class.
- It allows children to have another try at their learning with adult support from home.
- It promotes responsibility and independence.

How you can help us

- Encourage your children to complete their homework with some independence, asking for help or support if needed.
- Encourage your children to remember to return their homework books on time.
