Section 2 - Invocation

When an incident affects Buckton Vale Primary School operations and/or its staff and visitors:

Step 1: Be Safe

- Stay calm
- Alert a senior member of staff to the incident
- Alert others around you if the incident presents physical or immediate danger
- Take necessary safety actions e.g. follow the evacuation procedure
- Account for colleagues, contractors and visitors
- Alert a senior member of staff if any individual cannot be accounted for
- Consider calling home to reassure family that you are safe

Step 2: Be Together

- If evacuated, stay with your colleagues at your assembly point
- Be aware of emergency vehicles and welfare of others
- Move to local shelter point (if available and appropriate) as instructed
- If no physical danger, remain in your place of work and await further instructions
- DO NOT go home or move to another location unless requested/instructed by your line manager or senior personnel

Step 3: Be Patient

- Follow instructions from your line manager or appointed deputy/successor
- Remain calm and patient. Senior management will be discussing next steps in the interest of all staff and will communicate actions required as soon as possible
- Fulfil your part of the response when requested to do so
- Keep free or donate mobile phones. Be aware unnecessary use may put pressure on the network, which could hinder the response.
- If you must move/go home, discuss this with your line manager or appointed deputy/successor

Step 4: Be Alert

- Provide line managers/response staff with any helpful update/information
- Politely direct any press or media interest to the headteacher only
- Consult the school or council website for trusted updates (avoid potentially unreliable sources)
- If you are sent home, be ready to return to work / rejoin the response efforts at short notice

School Business Continuity Plans (BCPs) may be invoked under the following authority only:

- 1) When senior management team declares a business continuity incident has occurred and has provided direction that the Business Continuity Plan is to be invoked, or
- 2) When the Headteacher/Chair of Governors declares that the plan is to be invoked

The senior management team will ensure that the Headteacher, Chair of Governor and the Local Authority (LA) are appropriately informed about the incident and its progress. This should include the agreed response and recovery strategies and any other relevant factors.

Consideration will also be given to the content of the Unavoidable Closure guidance before a decision is made regarding invocation of the BCP.

If appropriate the following decision tree should be considered and the most appropriate actions taken:

**** ONCE THIS PLAN IS INVOKED THE HEADTEACHER/DEPUTY HEADTEACHER MUST ENSURE THAT A LOG IS KEPT OF ANY DECISIONS MADE OR ACTIONS TAKEN. AN EXAMPLE LOG IS GIVEN IN APPENDIX 2. ****

Section 5 – Recovery Plan for all activities identified -

Identify and develop a plan for dealing with any additional work that may be required once the cause of the invocation of the plan has been rectified in order to minimise any adverse effect on the restoration of day-to-day operations.

Areas for consideration might include: -

- Inputting paper based information created as a result of the loss of I.T.
- Testing of systems to ensure that they are functioning normally
- Verifying information held on systems to identify any lost or corrupted data.
- Correction of any errors discovered
- Prioritised clearance of any backlogs of work that was suspended during the incident
- Notification of dependent departments, external agencies, suppliers etc.
