

Looked After Child Policy

Philosophy

At Buckton Vale Primary School we believe vulnerable young people need the stability that school provides with the structure and routine that brings familiarity. Staff, both teaching and non-teaching, may well have been the only adults with whom the young person has had regular and positive communication in the time before coming into care. For children who remain within that school environment, the permanence school offers may be the only certainty in a changing world.

The Aim:

Commitment to ensuring that the need of Looked After Children are met and that they achieve both academically and socially and emotionally.

Objectives of the Policy:

- To generate a culture of care, support and respect throughout the school, for all children, through assemblies, circle time, PSHE and by the way in which school staff act as role models for the school community
- To be aware of a child's background and the effects that this may have had on education/emotional/social and behavioural progress and skills
 - To ensure that the child is supported by specific staff within the school as needed
- To monitor the child's achievement and progress towards the end of key stage targets
- To encourage and facilitate the involvement of the child in appropriate additional and extracurricular activities and showing an interest in these activities

Definition of Looked After Children

Under the Children Act 1989, a child is looked after by a local authority if s/he is in their care, or is provided with accommodation for more than 24 hours by the authority.

They fall into 4 main groups:

- Accommodated under a voluntary agreement with parents
- Care Order or Interim Care Order
- Emergency Protection Order
- Compulsory accommodated (this includes remanded to the Local Authority)

The term 'in care' refers only to children who are subject to a Care Order by the courts under Section 31 of the Children Act 1989. The Local Authority acquires parental responsibility which it shares with the parents.

These children may live with:

- Foster carers
- In a children's home
- In a residential school
- With relatives, or even with parents (under supervision).

Children who are cared for on a voluntary basis are 'accommodated' by the Local Authority under Section 20 of the Children Act. They may live with: • Foster carers • In a children's home • In a residential school • Or even, very unusually, with parents
Unaccompanied children under 16 years arriving in the UK as asylum seekers or refugees are accommodated under Section 20 by the local authority.

Governor

The name of a Governor with special responsibility for Children in Care in the school:

Nick Whitbread

The role of that Governor

The named governor will report to the Governing Body on an annual basis using the report from the Designated Teacher as source information:

- The number of looked after pupils in the school;
- A comparison of test scores as a discrete group, compared with those of other pupils;
- The attendance of pupils as a discrete group, compared to other pupils;
- The level of fixed term/permanent exclusions; and
- Pupil destinations

The named governor should be satisfied that the school's policies and procedures ensure that looked after pupils have equal access to:

- The National Curriculum;
- Public examinations;
- Additional interventions to support educational progress e.g. Making Good Progress
- Careers and Youth Connexions guidance;
- Additional education support;
- Extra curricular activities; and
- Work experience

The named Governor will be expected to have completed the iLearn on-line learning module on the Education of Children Looked After (Governors edition). This training may be accessed via the Virtual School page on the Grid, or www.learningpool.com/hertfordshire.

School Responsibility

It is important that all teaching staff that are in contact with the child or young person are aware that he/she is being looked after by the Local Authority. The responsibility for the transfer of this information should be that of the Head Teacher and/or the Designated Teacher for Children in Care.

It is appropriate for a classroom support assistant to have knowledge that the young person is in care only when directly involved in the teaching of the young person.

In the absence of the usual class teacher, some information regarding the child's circumstances should be shared with the teacher covering the class. The extent of this sharing should be determined by the Headteacher or the Designated Teacher for Children Looked After.

Admission Arrangements

Upon admission, records will be requested from the pupil's previous school and a meeting will be held with Primary Carer, Social Worker and Parent (as appropriate). This will provide information to inform the Personal Education Plan. An appropriate school induction will take place.

Involve the Young Person

It is important that a young person is aware that information is being recorded regarding their personal circumstances. How this is shared with them clearly depends on their age and understanding. The explanation should emphasise that the school, the Social Worker, and their primary carer(s) are working together to promote their education.

It is important that the young person is supported to complete the Pupil Voice section of the Personal Education Plan by the Designated Teacher to inform the PEP and Care Plan review meetings

It is important to establish the child's view of their changed circumstances and what they want others to know. It is also important to ensure that a Social Worker / Teacher / Primary Carer prepares the child for situations when they may be asked about home, e.g. by other pupils in the classroom or playground.

Communication with Other Agencies

Schools should ensure that a copy of all reports (e.g. End of Year reports) should be forwarded to the young person's Social Worker in addition to the Primary Carer and if appropriate parent/s and the Virtual School.

Schools and education and social work colleagues within Children's Services should endeavour to co-ordinate their review meetings, e.g. to have an Annual or a Statement Review and a Personal Education Plan meeting or statutory review.

It is important to exchange information between formal reviews if there are significant changes in the young person's circumstances, e.g. if school is considering an exclusion, there is a change of care placement or there are significant attendance issues.

Assessment, Monitoring and Review Procedures

Each pupil in care will have a Care Plan that will include a Personal Education Plan (PEP) that is developed jointly by the Social Worker and Designated Teacher. School will play an active role in contributing to those areas of the Care Plan that are education related. The PEP will identify specific areas of success, of concern and include achievable targets. Areas for consideration will include:

- Attendance;
- Achievement Record (academic or otherwise);
- Behaviour;
- SMART target setting;
- Extended learning opportunities;
- Involvement in Out of School Hours Activities;
- How additional resources are being utilised to meet educational targets with particular reference to the Pupil Premium and Pupil Premium Plus;
- Special needs (if any);
- Development needs (short and long term development of skills, knowledge or subject areas and experiences); and
- Long term plans and aspirations (targets including progress, career plans and aspirations).

Best Practice dictates that the PEP will be updated at least once every school term, or at the point of any major change. A statutory review of the overall Care Plan, including the PEP, will be carried out by the Independent Reviewing Officer at least every six months. The Designated Teacher is accountable for the implementation of the educational targets within the Plan.

The named governor will report annually to the Governing Body on the progress of all looked after children against the key indicators outlined above.
