

PUPIL PREMIUM PLEDGE 2016/7

Total pupils on roll =279
Number of pupils eligible for PPG =51
Total Pupil Premium Funding = £70,960

Pledge	Action	£ allocation	Expected impact	Impact
To ensure the maths learning is engaging and conducive to accelerate progress by supporting children's understanding, knowledge and skills.	Maths areas in each classroom and practical resources suited to the needs of each cohort are set up in the form of 'toolkits.'	£1,500.00	Children in receipt of the PP grant make accelerated progress towards age related expectations Increased motivation of children to learn How this will be measured: Progress and attainment data, child voice	86% ARE for 2017 which is above the national expected standard for maths of 75% More work needs to be done to accelerate progress as KS1 data for the 2017 cohort is considered insecure. Further investment in practical mathematics resources is essential.
To support children's access to the curriculum through use of visual and audio resources	Purple Mash 3 years	£2,000.00	Improve access to the curriculum to support accelerated progress towards age related expectations. How this will be measured: Progress and attainment data	There has been some use of Purple Mash in KS1 but it became clear that this resource was too easy for KS2 children. This investment will not be continued.
Ensure gap narrows for pupils in mathematics.	Whole School calculation policy purchased to ensure continuity and progression of learning in mathematics.	£500.00	How this will be measured: ARE standard expectations %, data from starting points	The % of PP children reaching the expected standard in maths 2017 is 2.2% higher than Non-PP children and 24.2% higher than the National average for Disadvantage Pupil

Ensure gap narrows for pupils in mathematics.	Engage the learning through music – purchase ‘number fun’ mathematics.	£1,500.00	How this will be measured: ARE standard expectations %, data from starting points	Premium children.
To develop skills in writing through outdoor provision and forest schools.	HLTA X 1 (two afternoons) per week employed to take children in groups for forest school. (Beginning spring term) Carefully linking the Science and writing curriculum.	£3,500.00	Children in receipt of PP grant will attend forest school sessions outdoors in groups with peers. How this will be measured: writing standards will be moderated.	The % of PP children is 2.2% higher than the Non- PP children and 21.2% higher than the national average for Disadvantage Pupil Premium children.
Ensure gap narrows for pupils	HLTA x 1.0 for 1:2 supports for two PPG children both in year 5.	£2,000.00	To increase the confidence and speaking of these children to engage in learning within their own cohorts. How this will be measured: Case studies, attendance data	In reading overall progress scores amongst PP children is 0.78% higher than the non-disadvantaged students and 0.65% less than the national disadvantaged. In writing the writing progress for PP children is 1.1% higher than the national average.
Ensure the gap narrows for pupils with language delay and difficulties	Speech and Language specialist Teaching Assistant delivering LEAP programme and Speech and Language intervention	£7,000.00	Initial assessment of children with language needs used to plan and deliver targeted intervention How this will be measured: Case studies	

<p>To ensure PP children attend school every day; with attendance targets at 96%+ for the PP cohort.</p>	<p>HLTA to spend 0.5 of her timetable tracking attendance and acting promptly on issues of absence with clear warning procedures.</p>	<p>£1,400.00 (2.5 hours per week)</p>	<p>Children in receipt of PP grant will attend school regularly which will ensure progress is accelerated and the gap narrowed. How this will be measured: Weekly attendance monitored with a focus on PP children.</p>	<p>After careful family liaison from our school attendance officer, our PP attendance percentage for the Y6 children in 2017 was 97.3%</p> <p>Whole school attendance for the PP children is 97.7</p>
<p>To ensure a rapid response to falling attendance for any PPG children.</p>	<p>The attendance officer from the MSCP has been asked to focus on PP or vulnerable children who fall below 96% attendance and conduct home visits if required</p>	<p>£2,000.00</p>	<p>Children in receipt of PP grant will attend school regularly which will ensure progress is accelerated and the gap narrowed. How this will be measured: Weekly attendance monitored with a focus on PP children.</p>	
<p>Ensure gap narrows for pupils</p>	<p>TA in Lower KS2 classes where a higher % of PP children are.</p>	<p>Level 2 TA costs £14,000.00 £9,000.00 per annum</p>	<p>Rapidly improve rates of progress of PP children in reading, writing and maths. How this will be measured: Progress and attainment data</p>	<p>75% of students in the 2017 cohort obtained ARE for all core subjects. 27.5% higher than the national disadvantaged average. The school gap has increased 34.9% on 2016 data.</p>
<p>Ensure the gap narrows for pupils with language delay and difficulties</p>	<p>Speech and Language specialist Teaching Assistant delivering LEAP programme and Speech and Language</p>	<p>£16,000.00</p>	<p>Initial assessment of children with language needs used to plan and deliver targeted intervention. Our speech and language teacher is currently working with</p>	

	intervention		<p>11 pupils throughout the school. She has 3 pupils who are under review – all PPG. She has assessed the needs of the children and liaises with classroom teachers regarding next steps and plans.</p> <p>How this will be measured: Case studies</p>	
To ensure all PP vulnerable children are dressed in suitable uniform and feel that belong to our school and community by taking part in school trips & after school clubs.	Provide funding to any parents whose children are eligible for PPG for any uniform.	£1,000	<p>Children in receipt of PP grant will attend school wearing appropriate uniform, getting involved in school activities otherwise not available to them which will ensure progress is accelerated and the gap narrowed.</p> <p>How this will be measured: Weekly attendance of clubs monitored and evaluated.</p>	All children receiving PP grant are offered support towards uniform costs.
	Total predicted spend	£70,000.00+
