

### **Cool Milk Scheme**

We have signed up to the Cool Milk scheme which administers the provision of free milk once a day to the under 5s. School has registered all reception children for this service and free milk will be provided for them once a day taking into account allergies and parental preferences. Please note that parents of reception children therefore do not need to register their children with the scheme as this has been completed by school.

Cool Milk will also administer the online payment and delivery of milk to school for any other children whose parents wish to pay for them to receive milk once a day. Please visit [www.coolmilk.com/whyschoolmilk](http://www.coolmilk.com/whyschoolmilk) and complete and the online application form if you wish to use this service. Paper copies of the form are also available from the school office. Please note that those children in receipt of free school meals will be provided with milk free of charge once you have completed and returned the relevant form to school.
