

After school clubs places and increasing security of the school

As you are aware, we now have an increased number of children attending our after school enrichment activities. We are so pleased that the new clubs have been welcomed.

As the playground area is used for some sessions we have reviewed the safeguarding procedures for this in order to ensure we keep the children and staff safe.

Therefore from Monday 1st October 2018 the gates at reception will now be closed and parents are requested to collect children using the gate nearest the office. This is a little further to walk for some of you and we would like to thank you in advance of your support in our continued improvements. In addition, all the gates will be locked at 3:30pm to safeguard the children on the school grounds taking part in after school clubs.
