IMPORTANT NOTICE – NUT ALLERGY

Please be informed that one of our pupils has a severe food allergy to peanuts/nuts and sesame seeds. It is important that there is strict avoidance to this food in order to prevent a life-threatening allergic reaction. We are asking for your help to provide the student with a safe school environment as any exposure to peanuts/nuts may cause a reaction that requires emergency medical treatment. To reduce the chance of this occurring, we are asking that you do not send any peanut or nut containing products to school with your child. If your child has eaten peanuts/nuts before coming to school, please be sure your child's hands and face have been thoroughly washed before entering the school.
