School Drive/Parking

We have had a number of complaints from local residents regarding the parking around school.

Do not drive or reverse up the school drive to drop children off or to pick them up. Parking in front of the gates is also prohibited. This drive way is to be kept clear at all times to keep all children safe. The nursery car park is private property and is not for use by our parents/carers.

Christmas Dinner – Tuesday 12th December

If your child normally has a packed lunch but would like a school Christmas Dinner, please notify the school office ASAP and pay the £2.30 on the schoolmoney website. Please inform school of any food allergies.

Our school values rap

We have recorded our school values rap earlier this morning. You can hear it on our school website soon.

You all sound fantastic.

Thank you so much to those of you who are following Buckton Vale values every single day. I am very proud of you all.
