

PERMA POSITIVE PSYCHOLOGY TRAINING with JULIE HURST

During our INSET day, we enjoyed learning about the Power of Positive Psychology with Positive Psychologist Julie Hurst.

In the photographs we are attempting to balance an egg, work out a puzzle and understand the power of positive poses. We are learning all about how our brains work. These exercises teach us all about how important it is to have grit and determination. We didn't give up!

Why not have a go at balancing an egg this weekend. Send your photos to us or add them to our twitter pages.

Buckton Vale is now an officially recognised PERMA/Positive Education school. PERMA is a model of practice created by Professor Martin Seligman

- P – Positive Emotion
- E – Engagement
- R – Positive Relationships
- M – Meaning
- A – Accomplishments/Achievements

Soon, we will receive our certificates from Positive Psychologist and trainer, Julie Hurst and school will now be using the logo from the British Psychological Society. We absolutely love it and can't wait to share even more exciting ideas with the children.

Mrs Brown

Stars of the Week

Whilst we are still unable to hold our Star of the week assembly, we will be announcing class 'Stars of the Week' in the newsletter each Friday and awarding the certificates in class on a Monday.

Reception	Dylan S
Year 1 Silver Birch	Isla W
Year 1/2 Sycamore	Alfie L
Year 2 Beech	Logan T
Year 3 Juniper	Lottie R
Year 3/4 Ash	Bobby A
Year 4 Oak	Daisy T
Y5 Hazel	Riley D
Year 5/6 Maple	Ellie C
Year 6 Cherry Blossom	Olivia H
Inspire Sports	Isla (Y1/2)

Watches

We have a number of children arriving at school wearing smart watches. Could we please kindly remind you that **smart watches are not permitted in school**. If a child arrives wearing one of these watches, this will be taken from them and kept in the school office until a parent/carer is able to collect.

Bikeability

Due to Covid-19 restrictions and cancellations, we were struggling to book in the usual summer Bikeability days for our Year 5s. Extremely fortunately, we were able to secure a last-minute booking to ensure the course took place as normal and would not have any knock-on effects for next year. As expected, we received only glowing reports from the instructors and all our Year 5s showed superb dedication, perseverance and ability. Mr Payne commented that the improvement was very noticeable as he popped his head out at regular intervals. As always, we are thrilled that we can support children with road and cycling safety and are confident that the children can now take their new skills home to enable them to make safe choices when cycling out on the road. Well done to all the children who took part!

Captain Tom – Army of Hope

Our Chair of Governors, Nick and his daughter have joined in on the Captain Tom 100!

Culminating on Monday 3rd May and over the weekend of what would be Captain Tom's 101st birthday, Nick and Phoebe ran 100km over a 10-day period...what an amazing achievement!

Many congratulations to Phoebe who has raised money for his Foundation and support Phoebe through her JASS course. So far they have raised an amazing £905 towards this foundation but would love to raise more than

£1000. If you can, please sponsor them.

Is your child involved in Charity work of any kind? Please don't forget to let us know at school.

Before & After School Provision – Summer Term

We still have a few places available at our after school activity clubs. If these places are not filled, we may need to cancel all sessions due to running costs.

For **Years 3 & 4** we have Martial Arts Club on Thursday morning. The Club runs from 8am until 8.45am. Children who sign up to join this club will need to wear their karate kit and then bring their school uniform to change into before school starts.

There are places still available in the Dance sessions after school on Fridays for **Year 3 & 4** too.

Remember if your child is attending a club outside school hours, they will need to bring in their water bottle.

Brass Band Sessions

It was lovely to hear our Yr6 Brass Band group playing their trumpets and trombones on Tuesday morning. The children all seemed so happy despite it being an early session – well done everyone.

Now we have managed to settle everyone back in we are able to advertise a few places available for the brass band sessions which are held every Tuesday morning during school hours. If your child is in Year 5 or Year 6 and would like to join, please email admin@bucktonvale.tameside.sch.uk with BRASS BAND in the subject bar. Be quick as this is a first come, first serve offer!

A contribution towards the cost of the sessions is £20 which will cover sessions up to 12th July 2021.

Hyber Bowling

All the children have impressed their lunchtime supervisors this week as they have embraced the new lunchtime behaviour policy.

As promised the top classes this week are...

In no particular order are: - Reception, Yr1 , Yr1/2 & Yr 3/4 (2 classes had joint scores)

Well done to all classes, keep it up and who will be in the top 3 next week?

Be prepared

Can we remind all children to bring in a water bottle full of water (no juice) every-day, especially as the weather is warming up.

Remember children only need to bring their bags on a Monday and Friday with their planners and other necessary equipment, unfortunately we are still having lots of drop offs after school as started.

We are still having a number of books returned in poor condition, which means other children are unable to use them; please can we ask everyone to take care of any books they borrow from school? These are costly and we cannot afford to replace them each term. If this continues unfortunately we will have to charge to replace them. This is only a handful of books, but nevertheless they are costly to replace.

Birthday Celebrations

On Alex A is celebrating his 8th birthday tomorrow, Saturday the 8th May. We would like to wish him all the very best, have a super day.

Don't forget, if your child's birthday is approaching let us know and we can announce it in our newsletter beforehand. Please send your emails to admin@bucktonvale.tameside.sch.uk

Please remember we cannot allow children to bring in sweets or treats to share with their class mates during the ongoing pandemic.

Buckton Vale Uniform

MSC Stores, Ashton (our school uniform provider) are offering a 10% discount for anyone ordering uniform.

MCS Stores, 32 Market Street | Ashton-under-Lyne | OL6 6ER

www.mcsstores.co.uk

In addition, there is always the grownoutfit.co.uk website

We know that some children will have grown throughout the lockdown period and may not fit into their school uniform. So why not try and make some money or even save some money! If you have uniform your child has hardly worn, you could sell it on this uniform site. You can purchase nearly new or new uniform too at a fraction of the cost. We think this is a really great idea after so much time out of school for the children. Simply visit

<https://grownoutfit.co.uk/school/buckton-vale-primary-school/>

For those starting high school in September, Mossley Hollins are also promoting this service to parents. It may be of interest to our current Year 6 parents <https://grownoutfit.co.uk/school/mossley-hollins-high-school/>

All you need to do is click on the link and create an account. This account is set up by yourself, in your name, with your personal email address and own password, so it's secure.

By clicking the link, you can see items for sale without logging in to your account. Purchases are online direct to the seller and can be paid via paypal.
