

Please can we urge parents to think carefully about where they are parking around the school grounds. The parking is becoming extremely dangerous, especially when children are trying to cross the road between cars, and it is also a problem for the residents that live in the area. Please be considerate when parking your car. We are looking in to ways that we can reduce the parking congestion around school.

URGENT REMINDER: Despite numerous requests, we still have parents who have not yet updated their permission/consents on their child's Arbor account. This could mean your child is missing out! It's really simple to do, you just select accept or decline. Can we please ask that you take a minute or 2 to check the parental consents & permissions on Arbor. Thanks in

Message from Mrs Quinn

What a busy half term it has been! I would just like to thank you all for your support in my new role of Headteacher at Buckton Vale. I am looking forward to the next academic year, especially with some of the changes that are on the horizon

This week, Alan Acton has started as our new caretaker. I have also successfully appointed a Deputy Headteacher who will be in post from September. Further information will be given out after the half term. I hope that you all have a lovely half term! Take care!

Mrs Quinn

Children's Achievements

Ren has been working hard this weekend at her dance show called Pure Imagination. She took part in 5 dances with her class including Barbie Girl, Wizard of Oz and Wonka. Ren has been working hard with her class all year to create an amazing show raising £3000 for two children's charities and creating lots of smiles on people's faces. Ren wanted to share her story to inspire others.

One of our KS2 pupils, Natasha completed a challenge and climbed Snowdon in 3hrs and 20 minutes last weekend. What an amazing achievement!
