## Autumn Term 2024

### Newsletter 2

- **Individual Photographs:** All children are to attend in **FULL** school uniform next **Friday 20th September** as class photos will be taking place. If your child has P.E. on this day, please ensure they wear their uniform for the photo and bring their PE kits to change into.
- Attendance has been amazing since we returned from the Summer Break last week, let's hope this continues. Just a polite reminder that our gates open at 8.30am & close at 8.45am (doors open 8.35am). Anyone arriving after 8.45am will receive a late mark. We are aware that the roadworks are causing a few issues and it looks like they will be here for a while, so please allow extra time for your journey so your child will arrive to school on time.

**Arbor Updates:** Have you had a new mobile over the summer or moved house maybe? If so, can you please ensure that all your emergency contact details are up-to-date on your Arbor account. We have tried to contact a few parents already since the start of term and numbers have not been recognised. We also need you to update your Arbor consents. It's really simple to do, just select accept or decline. Please take a minute or 2 to check the parental consents & permissions on Arbor as soon as possible. Thanks in advance.

### Message from Mrs Quinn

It has been an amazing start to our first full week back of this academic year. The children have been trying extremely hard to earn their merits and we have given out our first Key Stage 1 and Key Stage 2 Merit awards.

Thank you to all the parents who attended our Meet the Teacher meetings this week, I hope that you found them informative.

Karen Burns, our CEO, and Nicky Wise, our COO (pictured left) attended school yesterday to look at the changes that have been made around school. They commented on how well behaved the children were and I was very proud of each and every one of them! Have a lovely weekend.

*Mrs Quinn*

**Trans Pennine Trail**®

A national coast to coast route for recreation and transport - for walking, cycling, horse riding and wheeling

We've been asked to share the Trans Pennine Trail (TPT) visitor survey with families in our school community. <https://forms.office.com/e/fJwVhBH6Ka>

The survey aims to gather valuable feedback and thoughts about the Trail, which will help us improve and enhance the experience for all visitors.

The deadline for survey submissions is **Monday, 16th September**. Each comment and piece of feedback is incredibly valuable to us, as it will provide insights that benefit both the national office and our partnership efforts.

Your support in this initiative is greatly appreciated, and we believe that the collective input from families will contribute significantly to the ongoing success and development of the Trans Pennine Trail.
