

Buckton Vale Primary

Autumn Term 2024

Newsletter 4

Asthma: If your child has asthma can you please ensure you have completed our medical consent form to allow staff to give your child their inhaler. We also need a copy of the care plan issued by the Asthma Nurses. If you have not already done so can you please bring the plan to the school office where it can be copied and stored on file.

Updates

Allergies: If your child has any allergies school need to be made aware to of these as well as Dolce, our school meal providers. Dolce also require you to send medical evidence of the allergy. This should be sent directly to louise.oldham@dolce.co.uk

Football Cards: Once again, this week, we have had children arrive in school with football cards to trade with friends. As this causes lots of unnecessary upset and fallouts, we ask you once again to ensure your child **does not** bring cards into school.

Car Parking: Just a polite reminder that our parents are not permitted to use Bright Futures car park. As the weather has changed over the last week there has been an increase in parents parking on their car park. This is causing chaos for their own parents who are dropping off or picking up little ones. Thanks for your understanding and co-operation on this matter

Message from Mrs Quinn

This week has seen the start of our after school clubs which both the teachers and children have loved. There are still a few places left on some of our clubs - please look on Arbor if your child is interested.

A huge thank you to those parents who have attended our workshops over the last few days. We hope that you have found them useful.

Over the next couple of weeks, the children are going to be designing their own Christmas Cards for you to purchase,. I know that this may seem early but we wanted to ensure that this was in our calendar this year! Further information will be sent out on how to order the items.

Mrs Quinn

We still have a number of parents who have not yet checked their Arbor consents. Please spare 2 minutes to check you have consented or declined the statements in Arbor. Reminders have been sent out this week. Many thanks.
