

Roadworks Update: As you are aware there are road works on Buckton Vale Road which have been causing issues recently. This week we had a representative from Cadent in to do a Health & Safety Assembly for all our children. Mr Gambino gave an overview of the company and talked about Gas safety and the large holes they are digging which are around the area. We also requested an update on the roadworks. Unfortunately, they will be here for a while! Cadent are fitting new pipes to the whole area. They are now working on the Moorgate Estate and will be moving across to the Bowling Green area in the forthcoming weeks. Mr Gambino explained that they cannot carry out the work during the night because of the noise when digging and having to request properties to switch off their gas.

As the roadworks are continuing can we please ask that you take the delays into account when arriving at school. We are seeing a large increase in children arriving late. Remember gates open at 8.30am, doors & registers open at 8.35 and close at 8.55am. Any child arriving after 8.55am will receive a late mark, which affect not only their learning, but their attendance too.

This week a number of children almost missed out on food tasting in lessons. This was due to parents not updating their consents on Arbor. Please, please check your consents on Arbor!

Message from Mrs Quinn

Thank you to everyone who sent in a donation for our bottle tombola which will be held at our Christmas Fair.

The children are all very excited about their upcoming trips - I cant wait to hear all about them. Please can I remind you to pay for your child's trip if you have not done so already!

Mrs Rutherford has been busy putting all of this year's school events on Class Dojo. These will alert you prior to the event so that you don't forget any important dates.

Hope you have a lovely weekend! *Mrs Quinn*
