Message from Mrs Quinn

I am delighted to welcome back all of our wonderful families and children and would like to say a big hello to our new families. The children have settled in well these last couple of days and I am very proud. We have updated our after-school club timetable which will go live on Monday 8th September at 4pm. You can secure your child's place on Arbor. Please see timetable on the following page. Can I please remind parents to order their child's meals on Arbor so that your child can receive the meal that they would prefer. Many thanks,

Mrs Quinn
